Greetings from Sportable Headquarters! I hope this finds you well.

Sportable had a tremendous year in 2015 thanks to the effort put forth by our entire extended family – athletes, volunteers, partners, funders, advocates & staff. Some of our highlights include:

- **Provided 3,184 Program Hours and 1,581 Athlete Experiences to 253 unique Athletes**
- **Reached over 5,000 students throughout Richmond through our Changing Perceptions Program**
- **Had 278 volunteers gave nearly 2,500 hours to Sportable athletes and programming**
- **The Sportable Spokes, our youth wheelchair basketball team, competed in the National Wheelchair Basketball Championships for the first time and finished 25th in the nation**
- **Sportable athlete Alexa Halko was named to the 2015 United States Paralympic Track & Field Team**
- **Worked with nearly 30 community partners to provide 12 sport programs and special events**

We are incredibly proud of what we accomplished in 2015 and look forward to building on these achievements in 2016 by serving more athletes and having an even greater impact. We are confident in our ability to do more because we believe we have such a tremendous support group – tremendous athletes, volunteers, supporters, and advocates that make our success possible. Together we are changing the lives of those with physical disabilities and visual impairments through sport.

It is an honor and privilege to lead this incredible organization. Thank you for all that you do for our athletes – your partnership is amazing.

Cheers,

Hunter Leemon

ABOUT

What We’re About
We don’t just provide adaptive sports and recreation opportunities in Richmond, Virginia. The reason Sportable exists is to transform the lives of people with physical and visual disabilities through sport! We know that is a bold claim and some might question whether we can really achieve that mission. Our response – come meet our athletes, hear their stories, watch them when they are in their “zone”. We can guarantee they would agree that in some way a transformation has occurred. This visionary approach to our mission allows us to keep pushing forward and aiming high — just as we ask of each of our athletes!

Our Values
We have a strong set of values that guide the behavior of all those who work, play and compete at Sportable.

INTEGRITY
Being true to our word and honoring commitments to our athletes, partners, and community.

PASSION
Showing up ready to play every day with an enthusiasm toward our mission.

TEAM SPIRIT
Supporting and working cohesively together toward a common goal.

INGENUITY
Finding creative solutions to problems that aren’t always visible or deemed possible.

Our Brand Pillars
Freeing our athletes to see beyond their disabilities.

Building peer relationships and reducing social isolation.

Facilitating physical and attitudinal change in our community.
